Subject: RE: Time sensitive FOIA related question - Are UOS TDDs or other cost information to always be maintained as CBI?

They will need to continue to be CBI. Just because we did not win Region 8 does not mean UOS will not bid on other EPA opportunities in the future. Our request is that any rate information be redacted as CBI.

Subject: Time sensitive FOIA related question - Are UOS TDDs or other cost information to always be maintained as CBI?

Chuck/Rebecca, Our Upper Animas attorney and I are responding to a FOIA and need to determine if UOS TDDs or other documents that have staffing and cost information need to be maintained as Confidential Business Information.

In particular, we have a FOIA for the Upper Animas Mining District/Upper Cement Creek and our attorney has asked that if these UOS documents are CBI, we need UOS to substantiate why maintaining CBI is in UOS's interest.

As is typical with FOIAs, this is time sensitive and Richard Sisk was hoping to have this information today, or just as soon as possible. Please reply to both Richard Sisk and me.

Thanks for your assistance in this matter.

Sincerely,

Sabrina Forrest
